

WELCOME!

President Prof. Akira Senda with his wife Mayumi, Japan Hokkaido

Our first world meeting in Africa, the IFED 2017 World Congress Cape Town is now approaching! The SAAAD, the host academy and the LOC have been waiting for your participation. I strongly believe that the meeting will be a success, and should enhance the future development of real aesthetic dentistry in not only South Africa but also the whole African continent, contributing to the health and happiness of people in the regions. On behalf of the IFED, I would invite you all come and join us in Cape Town, November 5-7. You will enjoy and learn from the topic, The Big 5 - A Paradigm Shift, and also enjoy first class social events and famous Safari, Natural Paradise (visit: www.ifed-2015.com). Safari, Natural Paradise (visit: <http://www.ifed-2015.com/>).

I have visited Mongolia to continue our charity programs such as lecturing and dental treatment in the rural areas. We have maintained this volunteer humanitarian work for 17 years. In 2015, we have treated 500 small children for 2 days in Darkhan City. I believe that these kind efforts are an essential part of the Esthetic Dentistry Ethos, and to be involved in such humanitarian work would enable younger dentists and students to reach much greater commitments!
